

URGENT TREATMENT CENTRES.

NOTICE: Due to Coronavirus East Riding of Yorkshire UTC opening times have changed temporarily

If you have an urgent injury or illness that is not serious, life or limb threatening, then the nearest Urgent Treatment Centre to you can provide assessment, advice and/or treatment. Common conditions that can be treated in an Urgent Treatment Centre are:

- Cuts and grazes
- Sprains and strains
- Simple broken bones
- Wound and wound infections
- Minor burns and scalds
- Minor head injuries
- Insect and animal bites
- Minor eye injuries (foreign bodies in eye)
- Minor back injuries
- Emergency contraception
- Skin infections/rashes/allergic reactions

Based in Beverley, Bridlington and Goole, Urgent Treatment Centres are open 8am to 8pm, 7 days per week. The last booking is 7:30pm.

You can walk into an Urgent Treatment Centre, however we always recommend you Talk before you walk by calling NHS 111. Where appropriate, a clinical advisor will assess your symptoms, decide what medical help you need and advise where you need to go.

Clinical advisors can also arrange an appointment for you at an Urgent Treatment Centre, 8 to 8 Centre or an out of hours GP if your condition means you need to see a health care professional within the next 12 hours.

Depending on your symptoms, Urgent Treatment Centres are able to carry out blood tests and x-rays to get a better understanding of what is wrong with you and, if needed, can prescribe medication and issue prescriptions for some conditions.
